

PEACE RANCH

Green Spaces Program Volunteer Opportunity

Farm Animal Care Assistant

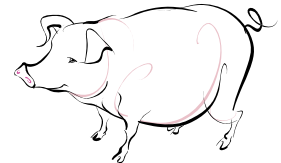

General Program Information:

Peace Ranch Green Spaces program provides meaningful activities for seriously mentally ill service recipients to develop inter-personal, social, recreational and vocational skills. We encourage participants to choose various therapeutic activities such as horticulture, farm animal care and/or creative arts during program hours. Green Spaces staff develop, plan, facilitate and evaluate activities. Volunteers assist staff with setting up, facilitating and clean-up of activities.

Our menagerie consists of goats, sheep, pot-belly pig, mini-horses, big horses, donkey, chickens, ducks and peacocks. Our residents do daily barn chores and we use the animals during program on Tuesday afternoons and Wednesdays.

Job Description:

Assist staff and participants with the socializing, grooming of animals and barn maintenance.
